The Covid-19 pandemic and the subsequent nationwide lockdown has tremendously affected the lives of entire population specially those of poor people. Labourers and daily wagers lost their jobs & incomes and these poor people faces difficulties in feeding their families. There were many incident evident specially in villages where people faces shortages of food and people are desperately trying to get a basic meal on a daily basis. There were incident where huge number of people gather at a place meal or ration are distributed free of cost.

Considering this grim situation the board member has in consultation with the local Panchayat decided to distribute free essential ration to 800 poor and needy people who are worst affected by Covid-19 pandemic. Similar charity program of distribution of free ration was conducted by Ewam India in the month of May 2020 also. Local Panchayat and their members sorted out the list of poor & most needy people from their locality. Following is the list of ration for distribution for one family:

- 5 kg Rice
- 2 kg Chati
- 5 kg Atta
- 2 Ltr Mustard oil

In order to follow the Covid protocols a token to receive free ration were distributed to poor and needy people through local Panchayat and members in advance which helps the charity program function orderly and without gathering a large number of people.
